

Workshop

“Application of Proteomics and Transcriptomics in EMF Research”

October 30 - November 1, 2005

*STUK- Radiation and Nuclear Safety Authority
Laippatie 4, 00880 Helsinki, Finland*

http://www.who.int/peh-emf/meetings/proteomics_helsinki05/en/

Application and abstract submission rules

- The total number of workshop participants will be limited to 70 persons (speakers & non-speakers)
- Workshop speakers are by invitation (see preliminary program)
- In addition to invited speakers a few short presentations will be selected from the submitted abstracts.
- Only abstracts directly pertinent to the topic of the workshop will be considered.
- Workshop participants will be selected from among the applications received by the deadline of August 19th, 2005 (Friday). Submission of the abstract does not automatically guarantee acceptance for the workshop. Acceptance e-mails will be send out on September 2nd, 2005 (Friday)
- Up to 5 travel grants for young scientists (under 35 years) will be awarded. Travel grant applicants are required to submit an abstract, to be the first author and to present it at the workshop.
- Full-articles based on the invited presentations and short-articles based on the presentations from the submitted abstracts will be peer-reviewed and published in the June 2006 issue of journal PROTEOMICS. The deadline for the submission of manuscripts will be December 31, 2005.
